

Motor Neurone Disease Association of Australia

NEVER GIVE UP

Thank you for wearing our MND “**NEVER GIVE UP**” wristband. The blue cornflower is the symbol of hope for people living with Motor Neurone Disease (MND) – hope to find the cause, develop effective treatments and discover a cure.

The MND Association helps people to live well while fighting MND.

Your contribution will help to provide information, support, equipment and the hope that is needed to **NEVER GIVE UP**.

MND is fatal. It paralyses the body leaving the mind intact. There is no known cause, no cure and no remission. Average life expectancy is 2 to 3 years from diagnosis.

In Australia, ten people die each week of MND, and at least one person is diagnosed each day.

For more information contact your MND Association: 1800 777 175 or www.mndaust.asn.au

NOTE: This is the text on the card included with the wristband

NEVER GIVE UP

Wristbands have been taken up as the charity rage around the world.

Michelle Rozzen took up the concept with NEVER GIVE UP wristbands to support people living with MND in memory of her father, David Rozzen, who died from MND in the USA on 16 June 2004.

Blue NEVER GIVE UP wristbands for MND are available in two sizes:

small for children, and **large** for adults.

At \$2 each, the wristbands are individually packaged in MND polybags.

Get on the **bandwagon** and plan your **band days** to support MND in schools, shopping centres, sporting venues and any other location where you can have some impact.

To be among the first to wear blue NEVER GIVE UP wristbands, complete the order form or phone the MND Association of SA on 08 8234 8448.
